Honoring and showing appreciation to all our volunteers and their families

## CIE Picnic—Oct 15, 2022

*On Oct 15, 2022, CIE held a picnic at the Bob Woodruff Park to show appreciation for our volunteers and their families. With perfect weather, everyone enjoyed each other's company.*

*All participated in the BINGO games, and thanks to Will Jordan, the children especially enjoyed his balloon animals. Many brought a special dish to share in the potluck and entered the first ever CIE Iron Chef Competition. The winning chef was Dr. Lun Tsuei with his mildly spicy beef dish.*

*Thank you to all who served and attended*

# 2023 Officer & Volunteer Orientation

CIE/USA-DFW CHAPTER

On March 12, CIE held the 2023 Officer and Volunteer Orientation. The meeting had a great turn-out with almost 30 participants. As many are new to CIE, we had ice-breakers to help everyone get to know each other a little better.

As part of the onboarding, Tiger Zhou shared how CIE is now leveraging Google Workspace for Nonprofit organizations.

We entertained a mock Shark Tank competition asking each team to come up with a proposal for a brand-new CIE program targeted towards young professionals. Everyone put on their thinking and creative caps, and many wonderful ideas were presented.

The Young Professional team will take these ideas and figure out how we can leverage them in future CIE programs.

# 2023 CIE Youth STEM Convention

Theme: “RACE to the Future with AI “

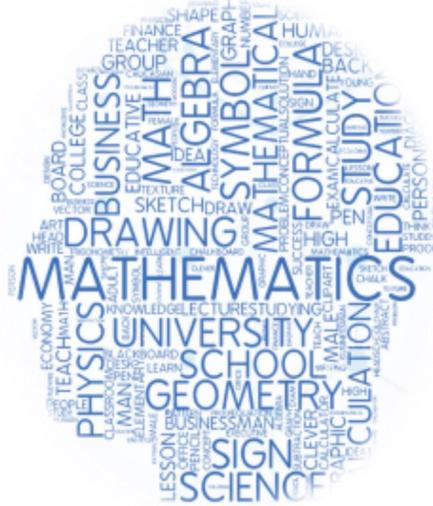

This year, CIE presents a grand youth STEM convention to the students. It combines the MathComp/MathFun with Student Engineering and Creativity Convention.

This year’s theme

## "RACE to the Future with AI"

emphasizes the competitive nature of the DeepRacer (TM) and how it drives innovation and advancement in autonomous driving technologies.

Save the date on August 19, 2023.  
(Location TBD.)

## 2023 CIE/USA-DFW CHAPTER Mentoring Circle

Dozens of volunteers join this annual program every year, aiming to learn from experienced community leaders. The Mentoring Circle provides a forum for targeted personal mentoring to those who are passionate about the CIE community and interested in leadership roles at CIE. We use this platform to develop “trainers” who later become “mentors.”

Each group is led by one or two mentors, follows a self-paced curriculum, and meets online or in person for 2-3 hours monthly bi-monthly from May 2023 to April 2024.

<p><b>WHO</b></p> <p><b>Mentees:</b> CIE officers &amp; bench candidates</p> <p><b>Mentors:</b> Seasoned CIE leaders, senior corporate managers</p>	<p><b>WHEN</b></p> <p>May – April</p> <p>Monthly or bi-monthly</p> <p>2-3 hours each session</p>	<p><b>WHERE</b></p> <p>Zoom or In-person</p>
<p><b>EXPECTATIONS</b></p> <ul style="list-style-type: none"> <li>• Commitment</li> <li>• Consistency</li> <li>• Communication</li> <li>• Confidentiality</li> <li>• Respect</li> <li>• Pay it Forward</li> </ul>		<p><b>?</b> Claire Jung: clairejung11@gmail.com</p>

The CIE Annual Convention date is set for September 30, 2023!

The convention team is currently coordinating the program and venue requirements .

While we will continue with some of our popular and informative programs like Technical Executive Forum, Young Achiever Award Ceremony, VIP receptions, and evening banquet to recognize our sponsors, we plan to change some of our programs and formats from past conventions in order to attract more audiences, especially younger generations.

The convention planning team has been working really hard to finalize all the program details. Please stay tuned!

**Technology Fusion – Artificial Intelligence (AI) in Action.**

### 2023 CIE/USA-DFW Young Achiever Award

#### 2023 Young Achiever Award

Scholarship Award + Lifetime CIE/USA-DFW Membership

Young Achiever Award (YAA) promotes and recognizes exceptional academic excellence in STEM, and active involvement of extra-curricular activities and community service of the youths. The award is to recognize students of 10th and 11th grade with top academic achievements at school, outstanding engineering and science accomplishments, demonstrated leadership and active involvement of community service.

Event Date: September 30, 2023

Time: 6:00 pm - 9:00 pm

All applications are due by 7/18/2023 (supplemental documents from school and community contacts are due by 8/15/2023)

## DFW Chapter Upgrading our Software Toolbox in 2023!

### Benefits:

- Collaboration with groups
- Shared Drive
- Branding with organization email
- Account management
- Simplified reimbursement process
- Security on document sharing
- FREE

Starting in 2023, we are transitioning to Google workspace for Nonprofit

Gmail Drive Meet Calendar Chat Docs Sheets Slides Keep Sites Forms Currents

With Google Workspace for Non-Profit, CIE/USA-DFW will communicate more efficiently and collaborate from anywhere, all while keeping data safe and secure and providing 24/7 support.

With tools such as Gmail, Calendar, and Drive, you can focus your organization on impact rather than IT administration.
